

SCHOLARSHIP COMPETITION

Summer Courses 2021

"THE SPACE
OF THE FUTURE"
CALL FOR ENTRIES 2021

NABA LAUNCHES "THE SPACE OF THE FUTURE" CALL FOR ENTRIES 2021

NABA wants to motivate young international talents eager to undertake an intensive summer study experience in Milan and Rome, by offering 20 half scholarships (50% of the tuition fee) for one of NABA's 2-week Summer Courses running from June to August 2021.

NABA Summer Courses offer students a condensed version of the most significant elements of the Academy's know-how, a complete overview on the current trends within visual and applied arts disciplines and markets, as well as the chance to experiment with relevant project-based work, with focus on Milan and Rome cultural and artistic panorama.

They are 2-week intensive programmes and experiences in the fields of Communication and Graphic Design, Design, Fashion Design, Media Design and New Technologies, Visual Arts.

Guided by skilled Italian and international professionals, students will explore trends in fashion and design and learn how to research and present a creative idea while diving into Italy's thriving creative community through visits to museums, companies, production facilities, and design studios. With students from about 80 different countries, NABA community benefits from a broad diversity of cultures and ideas. Students can choose between Milan and Rome campus as well as a combined experience of the two cities.

Milan, a thriving metropolis with an international dimension, the city of architects, designers, fashion designers, entrepreneurs, graphic designers, creative minds and publishers.

Rome, the Eternal City whose artistic and architectonic history shaped the development of world culture. Considered one of the most beautiful cities in the world, Rome is an UNESCO World Heritage Site and presents itself as an open-air museum.

In both cities, students will have an unequalled opportunity not just to learn design, fashion and communication, but also to immerse themselves in a vibrant, stimulating creative culture that will be an asset to their education and professional experience.

Competition brief "THE SPACE OF THE FUTURE"

What is a city really for? What shapes and identities can be given to future collective spaces?

Applicants are asked to document their daily life, observe the place where they live, and according to the chosen study area, develop a project (a piece of artwork, of clothing, a short video, etc) where the individual can rediscover the magic of sharing.

What is it?

Applicants should submit a creative project that is coherent with their chosen field and that is representative of their identity: a color, an object, a piece of fabric, a sound, a video, etc.

Audience

NABA Summer Scholarship Competition 2021 is addressed to anyone with a passion for Italian culture, design, fashion, interior and architecture, visual and graphic design or any related field, who has a curious mind and an attitude for critical thinking and investigation.

Eligibility criteria

→ NABA can accept applications from students older than 18 years of age.

→ In case of applicants who are 16 but show a strong motivation to NABA Introduction level or Experience level courses, NABA will take their applications into account, on condition that a written declaration of responsibility is sent by their parents or legal guardians.

→ All classes at NABA are held in English, so students will be required to have a good understanding of the English language.

→ Please carefully read the course descriptions before applying to a course as NABA will not take any responsibility for the students' choice of a course level that is not suitable to their background and skills.

Application

Applicants must submit:

→ NABA Summer Courses Application Form programmes 2021 (downloadable at the link <https://bit.ly/39NQHNB>)

→ Passport Copy

→ The creative project based on the Competition's brief "The space of the future"

→ Short description in English (max. 200 words) of the concept of the project highlighting reasons supporting their choices
